RE: Horseback Riding

Hinchenbrook Farm

Debbie loves horses and was very happy with the opportunity to ride at the Farm. She enjoyed learning about caring for the horse; ie combing and brushing and how to 'dress' the horse to ride.

Thanks to Patti and to Kim

RE: Horseback Riding

Hinchenbrook Farm

I liked my lessons - I learned all about the different parts of the horse and the equipment used for riding

I liked riding - feeding and petting the horse.
